

**Financial Advisor Request for Proposals
Questions & Answers Delay Update and Schedule Change
1/6/2017**

It was previously reported on 12/28/16 that the Questions and Answers for this Financial Advisor RFP would be posted today, 1/6/17. Please be advised that due to unforeseen reasons, **there will be a further delay in posting the answers to the questions submitted for this RFP by potential Applicants.**

It was also pointed out to us that it was unclear if the proposal submission deadline would remain today as originally posted in the schedule within the RFP. Please find the revised schedule that has delayed the following RFP Events by three weeks from the original scheduled date: 1) the posted Q&A; 2) **the Application Submission Deadline**; and 3) the date CBH expects to identify a Vendor with whom to engage in contract negotiations.

RFP Event	Deadline Date
RFP Issued	December 12, 2016
Deadline to Submit Questions	December 21, 2016
Answers to Questions on Website	January 13, 2017
Application Submission Deadline	January 27, 2017 at 2:00 PM EST
Applicants Identified for Contract Negotiations	February 10, 2017

****Please note that we will get in touch with any Applicant who has submitted a response under the impression that the deadline was still today, January 6, 2017. We will give each of these Applicants a choice to keep their submission as-is, OR, to be returned unopened in favor of potentially benefitting from the posted Q&A and resubmitting their response by the new submission deadline.****

We sincerely apologize for any confusion that these changes may have created – our goal is to clarify all relevant issues, in hopes of soliciting the best possible responses from potential Applicants.
