

**Off-site and Electronic Records Storage Services Request for Proposals**  
**Questions & Answers – Round 2**  
**12/14/2015**

- 1. The previous Q&A made reference to a 12/18/15 due date, but a 12/21/15 due date is clearly noted on the first page of the RFP. Which is correct?**

*This was an error that was not discovered until after the original Q&A was posted. Because there was discrepant information in the RFP, CBH has decided to honor the later due date. Therefore, all submissions will be due at the close of business (5:00 PM) on Monday December 21, 2015.*
