I. Project Overview

A. Introduction/Statement of Purpose

Community Behavioral Health (CBH) is issuing this Request for Proposals (RFP) to contract with a qualified printing company to perform general printing services for our agency. It is the intent of this RFP to solicit proposals from all interested companies possessing expertise in commercial and administrative printing. The CBH Administrative Management department will be managing the contract.

B. Organizational Overview

The City of Philadelphia contracts with the Commonwealth of Pennsylvania Department of Human Services (PA DHS, formerly the Commonwealth of Pennsylvania Department of Public Welfare/DPW) for the provision of behavioral health services to Philadelphia's Medicaid recipients under Pennsylvania's HealthChoices behavioral health mandatory managed care program. Services are funded on a capitated basis through this contractual agreement. The City of Philadelphia, through the Department of Behavioral Health and Intellectual disAbility Services (DBHIDS), contracts with Community Behavioral Health to administer the HealthChoices program.

CBH was established as a non-profit organization by the City in 1997 to administer behavioral health care services for the City's approximately 550,000 Medicaid recipients. As a result, CBH manages a full continuum of medically necessary and clinically appropriate behavioral health services. CBH employs more than 390 people and has an annual budget of approximately \$800 million.

DBHIDS has been actively transforming Philadelphia's behavioral health system for the last ten years. This system transformation is rooted in approaches that promote recovery, resilience and self-determination and build on the strengths and resilience of individuals, family members and other allies in communities that take responsibility for their sustained health, wellness, and recovery from behavioral health challenges. System transformation takes place in an environment of self-determination and is individualized, comprehensive, flexible, person-first (culturally responsive), and designed to support health and wellness across the lifespan. In administering behavioral health services for Philadelphia's Medicaid recipients, CBH has been actively involved in the support and implementation of this system transformation.

C. Project Background

The purpose of this CBH Request for Proposal is to solicit proposals from interested printing companies with documented expertise in meeting the administrative printing needs of companies similar in size and organizational structure as CBH. All the requirements are specified in the scope of work section (Section II. B.: Services to be Provided/Required Tasks of this RFP).

D. Request for Proposals

CBH anticipates selecting one contractor to provide all of the services specified in this RFP. The term of the contract will be from the execution date (anticipated to be January 1, 2016) of the service agreement through December 31, 2016, and may be extended for up to three (3) consecutive one (1) year periods.

E. General Disclaimer

This RFP does not commit CBH to award a contract. This RFP and the process it describes are proprietary and are for the sole and exclusive benefit of CBH. No other party, including any Applicant, is intended to be granted any rights hereunder. Any response, including written documents and verbal communication, by any Applicant to this RFP, shall become the property of CBH and may be subject to public disclosure by CBH.

II. Scope of Work

A. Project Details

The overall objective of this RFP is to identify a qualified printing company to meet CBH's administrative printing needs.

B. Services to be Provided/Required Tasks

CBH is seeking proposals to perform a variety of administrative printing services on an on-going, as needed, basis throughout the contract period. Work performed is expected to be routine in nature and of a scope normally required by a public service agency. Types of products expected to be procured under the awarded contract include but are not limited to:

- Stationery with the agency's logo
- Address, and related contact information
- Matching 'second page' stationery that would not require any artwork
- Various sized business envelopes
- Business cards
- Forms
- Operational manuals on 8 ½" x 11" plain three (3) hole punched paper
- Member handbooks (5.5 "x 8.5" finished size) saddle stitched, three tab with self-mailing covers
- Miscellaneous print jobs in limited quantities ranging from hundreds to thousands of pieces.

Since the exact quantities and products will change based upon business necessity and cannot be predicted with exact certainty, CBH is seeking proposals that will identify quantity price discounts at pre-determined levels for standard and non-standard print jobs using both camera-ready copy supplied by CBH as well as artwork designed and maintained by the selected vendor.

- Proposals should provide pricing for various types of products as well as estimated pricing at graduated quantity levels
- Costs associated with the artwork design and production should be listed separately where feasible
- Discuss any creative pricing or payment options the Applicant can provide
- Describe alternate approaches to the requested services where feasible or additional services offered or recommended, which may not be specifically requested but of benefit to Community Behavioral Health

C. Monitoring

The CBH Administrative Management Department will be managing the contract. An individual from that unit will be identified as the point person for the work to be conducted under the contract that is developed through this RFP and will monitor those activities for the duration of the contract.

D. Reporting Requirements

There are no reporting requirements for these services.

E. Compensation/Reimbursement

Services for the proposed project will be reimbursed as they are incurred through submission of invoices to CBH.

While CBH may award a contract based on the initial offer, an Applicant should make its initial offer on the most favorable terms available. CBH reserves the right, however, to have discussions with those potential consultants falling within a competitive range, and to request revised pricing offers from them and to make an award or conduct negotiations thereafter.

F. Organization and Personnel Requirements

CBH is seeking a printing company with the requisite skills and abilities to perform the work being sought through this RFP. The selected company must have at least three (3) years of experience providing printing services. Applicants should include any credentials from any certifying organization that attest to the capabilities of the organization or of any of the individuals employed by the organization that will be working on the proposed project.

Special consideration will be given for the following:

- Businesses owned and controlled by minorities, women, and persons with disabilities.
- Philadelphia-based Applicants.

G. Technology Capabilities

Applicants must have the technology capabilities required to perform the proposed activities in this RFP. At a minimum, Applicants must have capability to submit invoices electronically. In addition, applicants should describe their technological capabilities related to printing services.

Answers to each question must be numbered/lettered and correspond to the numbered/lettered questions in this RFP. Failure to number and letter the questions or to respond to all questions may result in the proposal's being considered non-responsive. Each attachment, appendix or addendum must reference the corresponding section or subsection number.

Applicants are required to limit their narrative responses to 8 single-spaced pages. This page limit includes sections 2.a. – 2.e. below. There are no limitations for the cost proposal and organizational requirements, sections 2.f and 2.g. If you have responded to a requirement in another part of your proposal, make reference to that section and do not repeat your response. - M/W/DSBE Status – For-profit Applicants

3. Terms of Contract

For the contract entered into by CBH as a result of this RFP, negotiations will be undertaken only with a successful Applicant whose application, including all appropriate documentation, shows it to be qualified, responsible, and capable of performing the work required in the RFP.

The selected Applicant shall maintain full responsibility for maintenance of such insurances as may be required by law of employers, including but not limited to Worker's Compensation, General Liability, Unemployment Compensation and Employer's Liability Insurance, and Professional Liability and Automobile Insurance.

The Applicant, as a potential Consultant, is required, per Chapter 17-1404 (1) of the Philadelphia Code, to disclose certain campaign contributions (defined as a provision of money, in-kind assistance, discounts, forbearance, or any other valuable thing) made during the last two years to any of the following:

- a. A candidate for nomination or election to any public office in the Commonwealth of Pennsylvania;
- b. An incumbent in any public office in the Commonwealth of Pennsylvania;
- c. A political committee or state party in the Commonwealth of Pennsylvania; or
- d. A group, committee, or association organized in support of any candidate, office holder, political committee, or state party in the Commonwealth of Pennsylvania.

Further, if the Applicant is an individual and makes campaign contributions totaling over \$2,500 in one calendar year to a candidate for City office or to an incumbent, the individual is not eligible to be a Contractor for over \$10,000 during that candidate or incumbent's term in office.

Similarly, if the Applicant is a business (i.e. corporation, limited liability company, partnership association, joint venture, or any other legal entity) and makes campaign contributions totaling over \$10,000 in one calendar year to a candidate for City office or to an incumbent, the business is not eligible to be a Contractor for over \$25,000 during that candidate or incumbent's term in office.

Please refer to the Philadelphia Code, Chapter 17-1404 for a more detailed list of disclosure requirements that might preclude your company from consideration for an award of this RFP.

B. Minority/Women/People with Disabilities Owned Business Enterprises

CBH is a City-related agency and as such its contracted providers/vendors/consultants must cooperate with the intent of the local municipality regarding minority/women/disabled-owned business enterprises. It is the expectation of CBH that the selected Applicants will employ a "Best and Good Faith Efforts" approach to include certified minority, women and disabled businesses (M/W/DSBE) in the services provided through this RFP where applicable and meet the intent of M/W/DSBE legislation.

The purpose of M/W/DSBE state legislation is to provide equal opportunity for all businesses and to assure that CBH funds are not used, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. CBH is committed to fostering an environment in which all

businesses are free to participate in business opportunities without the impediments of discrimination and participate in all CBH contracts on an equitable basis.

- For-profit Applicants should indicate if their organization is a Minority (MBE), Woman (WBE), and/or Disabled (DSBE) Owned Business Enterprise and certified as such by an approved certifying agency and/or identified in the OEO Certification Registry. If the Applicant is M/W/DSBE certified by an approved certifying agency, a copy of certifications should be included with the proposal. Any certifications should be submitted as hard copy attachments to the original application and copies that are submitted to CBH.
- Not-for-profit Applicants cannot be formally M/W/DSBE certified. CBH does utilize adapted state definitions to determine the M/W/DSBE status. Criteria are applied to not-for-profit entities to determine M/W/DSBE status in the CBH provider network, as follows (all criteria must be satisfied)
 - At least 51% of the board of directors must be qualified minority individuals and/or women and/or people with disabilities.
 - A woman or minority individual or person with a disability must hold the highest position in the company.
 - Minority groups eligible for certification include African Americans, Hispanic Americans, Native Americans, and Asian Americans.
 - Citizenship and legitimate minority group membership must be established through birth certificates, military records, passports, or tribal cards.
- Not-for-profit organizations may have sub-contracting relationships with certified M/W/DSBE for-profit organizations. Not-for-profits should include a listing of their M/W/DSBE certified sub-contractors, along with their certification information.
- For additional information regarding the Commonwealth of Pennsylvania's M/W/DSBE certification process, go to the following website:
www.dgs.state.pa.us/portal/server.pt/community/bureau_of_minority_and_women_business_opportunities/1358

C. City of Philadelphia Tax and Regulatory Status and Clearance Statement

As CBH is considered a quasi-governmental, City-related agency, prospective Applicants must meet certain City of Philadelphia requirements. It is the policy of the City of Philadelphia to ensure that each contractor and subcontractor has all required licenses and permits and is current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in the Philadelphia Code. To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each Applicant is required to complete and return with its proposal, a City of Philadelphia Tax Status and Clearance Statement Form (see Appendix B).

If the Applicant is not in compliance with the City's tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory

arrangements cannot be made within a week of being notified of their non-compliance, Applicants will not be eligible for award of the contract contemplated by this RFP.

All selected Applicants will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected Applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

Applicants need not have a City of Philadelphia Business Privilege Tax Account Number and Business Privilege License Number to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the contract contemplated by the RFP. Proposals for a Business Privilege Tax Account Number or a Business Privilege License may be made on line by visiting the City of Philadelphia Business Service site- <http://business.phila.gov/Pages/Home.aspx> and clicking on “Register Your Business.” If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Privilege Tax Account Number or the Department of Licenses and Inspections at 215-686-2490 for questions related to the Business Privilege License.

D. City of Philadelphia Disclosure Forms

Applicants and subcontractors are required to complete the City of Philadelphia Disclosure Forms (see Appendix C and separate website Attachment) to report campaign contributions to local and state political candidates and incumbents; any consultants used in responding to the RFP and contributions those consultants have made; prospective subcontractors; and whether Applicant or any representative of Applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-, woman- or disabled-owned business participation goals. These forms must be completed and returned with the proposal. The forms are attached as a separate PDF on the website posting.

For specifics regarding the eligibility of an individual or a business who has made a campaign contribution to be awarded a contract, please refer to Section III. A. 3 of this RFP.

E. CBH Disclosure of Litigation Form

The Applicant shall describe any pending, threatened, or contemplated administrative or judicial proceedings that are material to the Applicant’s business or finances including, but not limited to, any litigation, consent orders or agreements between any local, state, or federal regulatory agency and the Applicant or any subcontractor the Applicant intends to use to perform any of the services described in this RFP. Failure to disclose any of the proceedings described above may be grounds for disqualification of the Applicant’s submission. Complete and submit with your proposal the CBH Disclosure of Litigation Form (see Appendix D).

F. Selection Process

An application review committee will review all responses to this RFP. Based on the criteria detailed below, the committee will make recommendations concerning the submissions that are best able to meet the goals of the RFP.

Submissions will be reviewed based upon the merits of the written response to the RFP.

Specific scoring criteria upon which the review will be based include:

1. Threshold Requirements

Threshold requirements provide a baseline for all proposals, which means they provide basic information that all Applicants must meet. Failure to meet all of these requirements may disqualify an Applicant from consideration through this RFP. Threshold requirements include timely submission of a complete application with all sections outlined in Section III. A. completed. Threshold requirements include having the requisite experience and qualifications to implement the program, and being a Vendor in good standing with the City and CBH.

Threshold requirements also include consideration of the Applicant's financial status, including any potential delinquencies to the City and CBH. Proposals may be rejected, if, in CBH's judgment, the Applicant has failed to provide all information required by this RFP; has been delinquent or unfaithful in the performance of any contract with CBH or others; is delinquent, and has not made arrangements satisfactory to CBH with respect to the payment of City taxes or taxes collected by the City, or other indebtedness owed to the City or other taxing authorities; is not in compliance with regulatory codes applicable to Applicant; is financially or technically incapable; or is otherwise not a responsible Applicant.

CBH reserves the right to conduct investigations with respect to financial, technical and other qualifications, and references without notice to the Applicant.

Applicants that do not meet all of the threshold requirements may have their proposals disqualified. For Applicants meeting the threshold requirements, the scoring criteria for this RFP upon which the review will be based are as follows:

- Demonstrated qualifications and relevant experience **(50 pts.)**
- Likelihood that the proposal will provide the best value compared to other submitted proposals **(50 pts.)**

Special consideration will be given for the following:

- Businesses owned and controlled by minorities, women, and disabled persons
- Philadelphia based Applicants
