The Philadelphia Experience

Recovery Transformation to a Movement...
We envision a Philadelphia where all people can achieve health, wellness and self-determination through a comprehensive, holistic, community-based service delivery system.
Our Department

Responsible for administering a broad array of supports, treatment, intervention and prevention programs for children, adults, and families impacted by mental health, substance use and intellectual disabilities:

• Serves more than 150,000 Philadelphians each year through a $1 billion annual budget

• Manages a network of over 300 providers offering full continuum of services

• Functions as single payer for Medicaid, Federal, State and Local Grant (Medicaid managed by City) dollars for Behavioral Health Services
