

## **EPIC Open House**

A Celebration of What Makes Evidence-based Practices Work

July 12, 2016 9:00am - 1:00pm

### **Background & Brief Description:**

In July 2015, EPIC hosted an EBP Open House as part of the 2015 Transformation Decade Celebration. With over 300 attendees and a swell of positive responses we are now hosting an EBP Open House Part II. This year we will bring together providers, families and recipients of services to learn about how EBPs support resilience and recovery. Providers who are currently delivering EBPs in the Philadelphia behavioral health network are invited to highlight the key elements of their EBP.

### **Objectives**

Attendees will have an opportunity to:

- Learn about the EBPs in our network, and how these services have benefited individuals, families and communities.
- Discuss the key elements or features of the evidence-based practices being presented
- Learn how to access these EBPs.

### **Target Audience:**

Provider network, DBHIDS staff, advocacy community, service recipients and family members.

### **General Format:**

The event will include open house times to visit with table displays as well as a lecture/workshop and a celebration ceremony.

**Attached you will find a table display application.** Organizations engaged in evidence-based practice are invited to submit an application for review. Please note: space is limited. The application deadline has been extended to May 1<sup>st</sup>. Applicants will be notified of decisions by May 9<sup>th</sup>.

**If interested, please complete the attached application.** Stay tuned for registration information to attend this event. Direct questions to [EPIC\\_DBHIDS@phila.gov](mailto:EPIC_DBHIDS@phila.gov)
