

# Academic Literature, Policy Reports, and Presentations on Implementation

## [Implementation Research: A Synthesis of the Literature](#)

- **Citation:** Fixsen, D. L., Naoom, S. F., Blase, K. A., Friedman, R. M. & Wallace, F. (2005). Implementation Research: A Synthesis of the Literature. Tampa, FL: University of South Florida, Louis de la Parte Florida Mental Health Institute, The National Implementation Research Network (FMHI Publication #231)
- **What you will find here:** A review of the current state of implementation science across multiple content areas. This report aims to highlight the essential features of successful implementation.

## [Knowledge transfer and evidence-based practice in children's mental health](#)

- **Citation:** Barwick, M.A., Boydell, K.M., Stasiulis, E., Ferguson, H.B., Blase, K., & Fixsen, D. (2005). Toronto, ON: Children's Mental Health Ontario.
- **What you will find here:** A document that integrates the academic literature, expert opinions, and system and practitioner input on bringing evidence-based information to child-serving community settings.

## [Policy Research Brief: Implementation Opportunities and Challenges for Prevention and Promotion Initiatives.](#)

- **Citation:** Bertram, R., Blase, K., Shern, D., Shea, P., and Fixsen, D. (2011). Policy Research Brief: Implementation Opportunities and Challenges for Prevention and Promotion Initiatives. Alexandria, VA: National Association of State Mental Health Program Directors (NASMHPD).
- **What you will find here:** A research brief outlining key findings that have emerged from implementation science. The emphasis of this report is primarily focused upon the implementation of evidence-based programmatic interventions.

## [Turning Knowledge into Practice: A Manual for Human Service Administrators and Practitioners about Understanding and Implementing Evidence-Based Practices](#)

- **Who developed it:** J. A. Morris, S. Day, and S. Schoenwald, was written and produced with the support of The Technical Assistance Collaborative, Inc., the John D. and Catherine T. MacArthur Foundation Network on Mental Health Policy Research, and the American College of Mental Health Administration.
- **What you will find here:** This manual covers topics such as recovery, resilience and evidence-based practices. It also discusses how to select EBPs, how to work with practitioners/organizations, and how to plan for sustainability.
