

Raymond J. Fabius, MD, CPE, FACPE

Raymond J. Fabius, MD, CPE, FACPE is Co-founder and President of HealthNEXT – the emerging leader in building *Cultures of Health*. He spent the better part of two years researching benchmark employer, organizational, and governmental efforts to shape its products and services.

Previously Dr. Fabius served as Chief Medical Officer of Truven Health Analytics, recently purchased by IBM Watson Health. In that role he was responsible for thought leadership, business strategy, client relations, and clinical direction. Dr. Fabius also served as Strategic Adviser for Walgreens Health & Wellness assisting them in their approach to population health. Prior to that, Dr. Fabius was President and CMO of CHD Meridian / i-TRAX Healthcare, the leading provider of workplace health solutions. Dr. Fabius was global medical leader at General Electric responsible for the health and safety of over 330,000 employees. He also served as medical director of utilization, disease and quality management as well as eHealth and health informatics for Aetna and US Healthcare. Dr. Fabius spent the first decade of his career building a primary care practice that grew to be the largest provider of pediatric services in the county.

Dr. Fabius is the 2014 recipient of the NBGH / ACOEM Global Leadership in Corporate Health Award. Dr. Fabius is a faculty member of the American College of Occupational and Environmental Medicine, the new School of Population Health at Thomas Jefferson University, and the American Association of Physician Leadership, where he is recognized as a Distinguished Fellow. He is the author of four books on medical management and population health – the latest one is a graduate school textbook titled *Population Health: Creating Cultures of Wellness* now in its second edition.
