Re: Follow-up on Adult Acute Inpatient and Outpatient Psychiatric Provider Forum

On June 21, 2017, Community Behavioral Health hosted its annual Adult Acute Inpatient and Outpatient Psychiatric Provider Forum entitled "Creating Partnerships." At the conclusion of the forum, attendees agreed to reconvene and further develop the proposed ideas related to improving collaboration.

The focus for small group discussions at this meeting will be to develop a step-by step strategy to improve communication between inpatient and outpatient providers. We look forward to everyone's continued participation.
