Re: Addictions Treatment Provider Forum

Community Behavioral Health is hosting its 2017 Addictions Recovery Provider Forum: Improving Outcomes, Saving Lives. This invitation is being extended to all in-network providers of addiction services, including Centers of Excellence (COEs), residential addictions treatment services, and outpatient providers in the spirit of collaboration, engagement, and retention. The forum agenda has been designed to begin a conversation between residential addictions and outpatient providers regarding ways to collaboratively improve outcomes for those with opioid use disorder. We are looking forward to everyone's participation.

Date: Thursday, November 30, 2017
Registration: 12:30pm (Light refreshments will be provided.)
Time: 1:00 PM – 4:00 PM
Location: Community Behavioral Health
801 Market Street, 11th Floor, Room 1154
Philadelphia, PA 19107

In keeping with previous forums, staff at all levels including executive directors/CEOs, medical directors, clinical directors, counselors and utilization reviewers are encouraged to attend.
