

Extended Enterprise Learning Management System & Services Request for Proposals
Questions & Answers
12/6/2017

1. Can you please confirm that the response from the RFP is only electronic with a flash drive and 5 copies in PDF. Or do you require hard copies delivered to your facility?

As detailed on page 11 of the RFP

Applicants must submit an electronic version of the application prepared as a PDF document placed onto a compact disc or flash drive with one clearly marked signed original application and five (5) copies of the application.

*The references to “one clearly marked and signed original application and five (5) copies of the application” are **hard copies**, along with the electronic copy described, totaling one original signed paper application, five paper copies of that application and one electronic copy,*

2. As per the RFP I am submitting my question regarding the time to respond of Dec 15th 2017. Could the organization consider a 2 week extension from Dec 15th to Dec 29th 2017? We are in the busiest time of our year and the extra time would help with our response.

Because CBH and DBHIDS are on a tight time schedule, extending the submission due date of this RFP is not possible.
