

Community Behavioral Health: Provider Notification Implementation of Value-Based Purchasing: 2018 Webinars April 17, 2018

As many are aware, CBH is transitioning to the Pennsylvania Department of Human Services (DBH) required implementation of value-based purchasing (VBP). Beginning in 2019, CBH will be required to have an increasing percentage of its contracts include value-based purchasing models.

This year, we will be using the 2018 webinars to update providers on the VBP requirements for CBH, and how this may impact the P4P process that has been in place since the P4P program's inception. In past years, we invited providers to attend webinars based on the level(s) of care they provided. This year, we are offering three (3) dates and times (listed below) for providers to choose from, wherein we'll discuss these new developments and changes. The same information will be presented and discussed at each of the webinars, so providers only need to attend one. As in previous years, we wish to provide the option of attending these meetings in-person or online via GoToMeeting. **Due to space limitations, we are asking participants who wish to attend in-person to RSVP as soon as possible, and send only one person from the organization to the meeting.** We will be able to accommodate the first 20 respondents in each meeting; beyond this number, respondents may be asked to participate remotely via GoToMeeting. Please direct requests for ADA accommodations to the RSVP contact below; we will be sure to reserve in-person space and/or provide any other accommodations to meet that need.

For GoToMeeting participation, it is vital to register in advance using the link below. Registering through this link ensures participants receive the information necessary to log on to the meeting, view slides, and hear the conversation. **We recommend GoToMeeting participants dial-in to the meeting on the telephone rather than using the integrated audio option, as this seems to provide the best experience.**

As we enter the eighth year of P4P, and as we transition to VBP, CBH continues to value provider collaboration in the P4P/VBP processes; as such, we appreciate all contribution to the webinar discussions.

For RSVP to attend the meetings in person, please contact Naima Ware at naima.ware@phila.gov. Thank you.

2018 P4P Spring Webinar Schedule

Date	Time	GoToMeetingLink
05/11/2018	10:00 a.m. – 12:00 p.m.	https://attendee.gotowebinar.com/register/6014982103805512193
