Dear World  
You cannot know where I have formed my history. Don't judge me. My love is like  
I love stars, butterflies make me nervous... with that wind I know I can see just like the  
sun. To be able to cook and provide for family and live ones I share with you, I don't  
rich, brilliant on my block. Still thing from the tarred atmosphere. My community will  
have a different vibe. Unmovable and tappable to what's possible. Laugh by the way that  
that run deep. I know that I'm different but I always be me. When I'm not, I know it's  
better. Make sure that all drugs are destroyed. Let every single mother know that the best  
Gratitude towards life that was given. Some don't survive but we wear the best  
We are strong, we are forever. It's not over yet. Live it full technique. going to 100% you!
